This recently painted Auto Freightliner Argosy Signature gen 2 May be stamped a 2006 built cab but there is little to find

## Product Details

2006 build freightliner argosy, engineered with a full Hydraulic lift and curtained bin made by CBB bin is 4.05m long 1.25m high full steel bin has a automatic waterproof tarp dont let the rain stop you from working all controls are in the cab no need to be out of truck wile getting loaded and having the weight gauge in the cab as well you will know how much is going into the back.

This truck has gone from a standard prime mover to be upgraded into a bogie tipper in the time the owner has had the truck, for almost 7 years. Pride with the highest level being an owner driver this trucks maintenance is superb.

This truck has had a full Rebuilt Engine by Cummins wetherill Park, the new kms are only 97,000.

It has had:

full rebuilt gearbox (1000 kms)  
New clutch  
X4 new battery  
Rear main seal  
Brand new brake air compressor  
Brand new power steering pump  
Brand new J brake wiring harness  
Brand new XY gear selector  
Brand new speed sensor  
Brand new shift console computer  
Brand new shift controller  
New front windscreen  
2018 all bearings, front king pins, full shocks and seat replaced  
Changed cabin mounts, shocks, airbags  
Starter motor  
Air compressor  
Receiver dryer  
Radiator  
Intercooler  
Turbo  
Hydrologic ram  
Waterproof tarp  
Auto tarp

650 whopping horsies on this baby, set up as bogie but only airlines and electrics to make it into a truck and dog.

Ring feeder fully installed with hydraulic feed line for dog.

Bin carries approximately 11.5 tonnes.

Truck has a full auto step, however driver prefers the extra exercise of climbing ...

2006 - but so much more of a brand new truck without the cost!

As a bonus - my wife owns a finance business so if you need some Options she would be happy to help!

Selling without rego but it does have a brown slip done 9/6/2020, mechanics who've helped take care of this truck will tell you the love and money that have gone into this beast I have a lot of extras like 4 way DVR camera not installed and all the old parts to get rebuilt as spare. Owner has other business and does not have the capacity to drive for construction and tipping game anymore.
